IMPORTANT PARKING INFORMATION

My office is in a residential area, so I ask all patients to PLEASE park in front of my house, on my side of the street. If space is not available, further up the street on my side, either direction, is usually ok, or in my driveway if available. Also, "one car per customer", as parking is limited. Friends or family are welcome, but please avoid additional vehicles coming to appointments. Please leave pets at home, not in the car during your treatment. . Also, NO LARGE, LONG PICKUP TRUCKS — they are a parking hazard and liable to collisions.
