

A Ring Without End: Navigating The Mind/Body

Z'ev Rosenberg & Stephen Cowan

June 8th, 2025 - New York, NY

如環無端

A Ring Without End

Reflections on
Classical Chinese Medicine
Mind/Body Mapping

Discover new perspectives on the *Nān Jīng* and *Lingshū* with Z'ev and Stephen as they share fresh insights inspired by their new book, *A Ring Without End: Reflections on Classical Chinese Medicine and Mind-Body Mapping*.

- Explore contrasting Western and Eastern maps of the human body, in order to develop personalized diagnostic and treatment strategies.
- Learn how traditional channel theories provide practical tools for addressing modern health challenges.
- Apply ecological principles to individual health, society, and planetary well-being.
- Guest lectures with Daniel Schrier & Anne Shelton Crute on Daoist Body Maps and Astronomy in Chinese Medicine.
